DESCRIPTION – MODULE 2 – PENALTY ART.NO. 117932-50

Module 2 is an add-on module to basic module 1 for indication of penalty time and player number.
The delivery comprises:
2 pcs. display boards for wall mounting
1 pc. wall mounting kit according to drawing 079855-00

Single sided, add-on boards to be used together with basic module 1, to indicate penalty time and player number.
These add-on boards are controlled from the remote control unit used for basic module 1.

Penalty:
Max. two players per team can be shown simultaneously.
More penalties can however be entered simultaneously, which means that when one penalty is finished, the new one will automatically occur on the board.
Eg.
Two players of the same team are already penalized, and a third one gets a penalty.
When one of the two first penalties are terminated, the number of the third player will automatically occur on the board, and count-down of his penalty time will be shown.

More detailed description of the function for each individual sports available on separate data sheets.
