DESCRIPTION – BASIC MODULE 1C – ART.NO. 117972-50

Basic module 1C is a single sided Scoreboard for indoor sports, with team foul and one integrated penalty clock which also can be used to indicate latest individual player foul and player number.

The Scoreboard is intended for wall mounting.

The delivery includes:
1 pc. Multi-purpose scoreboard
1 pc. Siren Art.No 42997-01 (built in)
1 pc. Wall mounting kit according to drawing 079855-00.
1 pc. Instruction 2392

Scoreboard with built-in siren and four selectable sports or ice hockey as standard (extra sports optional).

The design makes it suitable for most indoor sports and can also be combined with various add-on modules, e.g. Shot Timers for 24-seconds rule in basketball.

It is controlled from our self-instructing remote control unit with pre-programmed rules and replaceable keyboard panels which adapt the control unit to each individual sport.

The remote control unit is available for both wireless (option) and hardwired operation.

Match/Game time
Count-up or down. Is indicated by four digits (minutes and seconds).
As an option, regular day time can be indicated by these digits when no game is being played.

Game in progress/stopped
Is indicated by green/red dot.

Score indication
000-999 (three digits per team).

Period
1-9 is indicated by the digit in the middle.

Penalty
Count-down of penalty time for maximum one player per team and is also indicated by the dots.

Individual player foul
The latest player foul is indicated by one digit and player number by two digits for approx. 5 seconds.

Team fouls
Are indicated by two digits (1 digit per team).

Serve
Is indicated by the dots.

Time-out
By two yellow dots per team.

Count-down of time is indicated instead of match/game time.

N.B! In basket ball the count down is indicated on module 3 (team fouls module)

Fixed characters
H (home team) and G (guests).

Siren
Built-in. Sounds automatically at finished game, time-out, break pause and finished count-down of 24-seconds rule (basketball).

By manually pressing a key, the siren can also sound at any requested time.

Front cover
Non-reflective polycarbonate protects the digits on impact of balls (DIN 18032).

Easy maintenance
The front cover can be opened (equipped with hinges).

More detailed description of the function for each individual sports available on separate data sheets.

We reserve the right to make changes at any time.
TECHNICAL DATA:

Case: Aluminium profile

Colour of background: Black

Digits: Bistable electro-mechanical 7-segment

Digit height: Score, Time, Team Fouls = 280 mm.  Period, Penalty/Individual Fouls = 190 mm.
